### DETAILED ACTION

1 This action is responsive to the amendment filed on February 12, 2007.

2 Claims 14, 16-17, 19-28, 31 and 32 are allowed.

### STATEMENT OF REASONS FRO ALLOWANCE

3 The following is an examiner's statement of reasons for allowance:

The obviousness rejections over Hawkins et al. (US 5,843,193) in view of Akram et al. (US 5,494,489) and/or Lim et al. (US 5,993,491) and/or Cotteret et al. (US 5,580,357) have been rendered moot because the comparative data submitted in the Declaration filed on 2/12/2007, is sufficient to rebut any case of prima facie obviousness of the claimed combination of ingredients. The comparative data shows that the claimed composition (C) (a tenside of a formula (I) and a cationic polymer), demonstrates unexpected results with respect to Combability of the dry hair (+8), Grip of the wet hair (+8) and Grip of the dry hair (+1) over the composition (A) of the prior art of record that teaches only a tenside of a formula (I), and Combability of the dry hair (+2), Grip of the wet hair (+4) and Grip of the dry hair (+3) over the composition (B) of the prior art of record that teaches a conditioning component comprising a cationic polymer. Accordingly the claimed subject matter as a whole would not have been obvious to one having ordinary skill in the art of keratin fibers coloring formulation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
